Site

The various trees T1-T4 are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1 Damson lop fell to ground level

T2 Damson reduce by 1/3

T3 Pittosporum reduce by 1/3

T4 Ash reduce by 1/3

Issues

The specification is not specific however, the applicant has since clarified.

The ash is a self-set at 6m. The reduction will be up to 2m.

I hold no objections to the proposed pruning, the works are reasonable.

Recommendation

No Objection
