Amended plans received 26/05/2023		26 May 2023

Robbie McNaugher

Robbie McNaugher
Head of Development Management and Planning Enforcement

Conditions: (13)

- 1** The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2** The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3** Prior to commencement of the development hereby approved, a schedule of all the proposed external finishes and materials, shall be submitted to and approved in writing by the Local Planning Authority. This shall include a schedule of the exact product references or other satisfactory details for: brickwork, tiling, cladding, stonework, render finishes, railings and brick walls. Thereafter, the works shall be implemented in accordance with the approved materials and details.

Reason: In order to ensure a satisfactory appearance for the proposed development and to ensure the character of the Muswell Hill Conservation Area is preserved, consistent with Policies SP11 & SP12 of the Haringey Local Plan (2017) and Policies DM1, DM9 & DM12 of The Development Management DPD (2017).

- 4** The proposed rooflight(s) hereby approved shall be 'Conservation style', flush with the roof plane in which they are installed, and shall be maintained as such for the lifespan of the development.

Reason: In order to ensure a satisfactory appearance for the proposed development and to preserve the character of the Muswell Hill Conservation Area, consistent with Policies SP11 & SP12 of the Haringey Local Plan (2017) and Policies DM1, DM9 & DM12 of The Development Management DPD (2017).

- 5** Notwithstanding the plans hereby approved, the new first floor and second floor windows on the north-western side elevation shall be obscured glazed

to level 3 or higher on the Pilkington scale of privacy or equivalent. This specification shall be complied with before the development is occupied and thereafter be retained for the lifetime of the development, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To safeguard against overlooking and loss of privacy in the interests of the amenity of neighbouring occupiers and to comply with Policy SP11 of the Haringey Local Plan (2017) and Policy DM1 of The Development Management DPD (2017).

- 6 Notwithstanding the plans hereby approved, the new first floor and second floor windows on the south-eastern side elevation shall be obscured glazed to level 3 or higher on the Pilkington scale of privacy or equivalent. This specification shall be complied with before the development is occupied and thereafter be retained for the lifetime of the development, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To safeguard against overlooking and loss of privacy in the interests of the amenity of neighbouring occupiers and to comply with Policy SP11 of the Haringey Local Plan (2017) and Policy DM1 of The Development Management DPD (2017).

- 7 Prior to the first occupation of the development hereby approved, a plan showing 1.8 metre high privacy screens shall be submitted to and approved in writing by the Planning Authority. These privacy screens shall be installed: on the north-western and south-eastern side of the first floor terrace; between the terrace areas of Units 03 and 04; and between the terrace areas of Units 05 and 06 at the ground and first and floor level. Thereafter, the development shall be carried out in accordance with the approved details and the screening shall be retained in perpetuity, unless otherwise agreed in writing by the Local Planning Authority. Reason: To avoid overlooking into the adjoining properties and to comply with Policy SP11 of the Haringey Local Plan (2017) and Policy DM1 of The Development Management DPD (2017).

Reason: To safeguard against overlooking and loss of privacy in the interests of the amenity of occupiers and to comply with Policy SP11 of the Haringey Local Plan (2017) and Policy DM1 of The Development Management DPD (2017).

- 8 The works to implement the construction of the basement and lightwells shall not commence until such time as a suitably qualified chartered civil engineer or chartered structural engineer, with membership of the appropriate professional body, has been appointed to inspect, approve and

monitor the critical elements of both permanent and temporary basement construction works throughout their duration. At no time shall any basement works take place unless an engineer is at that time currently appointed.

Reason: To ensure that the structural integrity of the host building and neighbouring buildings is maintained, in accordance with the Policy DM18 of the Development Management DPD 2017.

- 9 The construction of the basement hereby approved shall be undertaken in full compliance with the measures and recommendations outlined in the Proposed Basement – Structural Methodology & Impact Statement, Revision 02 (Prepared by: Justin Gathercole, dated: 07/11/2022).

Reason: To ensure that the structural integrity of the host building and neighbouring buildings is maintained, in accordance with the Policy DM18 of the Development Management DPD 2017.

- 10 Prior to the first occupation of the development hereby approved, full details of both hard and soft landscaping works shall be submitted to and approved in writing by the Local Planning Authority. Thereafter, the works shall be carried out in accordance with the approved details.

Details shall include the following:

- a) Scaled drawings of means of enclosure;
- b) Scaled drawings of bin stores;
- c) Details of hard landscaping surfacing materials;
- d) Planting plans, including: schedules of plants, noting species, plant sizes and proposed numbers/densities;
- e) Written specifications, including details of cultivation and other operations associated with plant and/or grass establishment.

The approved scheme of planting, seeding or turfing comprised in the approved details of landscaping shall be carried out and implemented in strict accordance with the approved details in the first planting and seeding season following the occupation of the building or the completion of development (whichever is sooner). Any trees or plants, either existing or proposed, which, within a period of five years from the completion of the development die, are removed, become damaged or diseased shall be replaced in the next planting season with a similar size and species. The landscaping scheme, once implemented, is to be retained thereafter.

Reason: In order for the Local Planning Authority to assess the acceptability of any landscaping scheme, thereby ensuring a satisfactory setting for the proposed development in the interests of the visual amenity of the area,

consistent with Policy DM1 of the Development Management DPD (2017).

- 11** Prior to the removal of the identified trees (T01, T02, T03, T04, T05, T11), details of replacement trees shall be submitted to and approved in writing by the Local Planning Authority. Such details shall specify: the location, species, numbers and sizes of the replacement trees. The trees shall be of quality at least equivalent to those trees removed. Thereafter, the replacement trees shall be planted, prior to first occupation of the development.

Reason: In order to ensure that the loss of trees is satisfactorily compensated for, in accordance with London Plan Policy T7 (2021) and Policy SP13 of the Haringey Local Plan (2017).

- 12** Prior to first occupation of the development hereby approved, full details of the type, dimensions and location of secure and covered cycle parking facilities shall be submitted to and approved in writing by the Local Planning Authority. This shall include dimensioned drawings of the cycle stores. The development shall not be occupied until a minimum of 15 cycle parking spaces for users of the development have been installed in accordance with the approved details. Such spaces shall be retained thereafter for this use only.

Reason: To promote travel by sustainable modes of transport and to comply with the London Plan (2021) minimum cycle parking standards.

- 13** Prior to commencement of the development hereby approved, a Construction Management Plan (CMP) or Construction Logistics Plan (CLP) shall be submitted to and approved in writing by the Local Planning Authority. The CMP or CLP shall detail the programme of works and provide details in respect of: the construction traffic movements, material/plant storage areas, details of necessary suspended car parking spaces and details of how impacts on the operation of the bus lane will be avoided. Thereafter, the development shall be implemented in line with the approved details throughout the project period.

Reason: To ensure there are no adverse impacts on the free flow of traffic on local roads and to safeguard the amenities of the area, consistent with Policies T4, T7 and D14 of the London Plan (2021) and with Policy DM1 of The Development Management DPD (2017).

Informatives:

INFORMATIVE: Party Wall Act

The applicant's attention is drawn to the Party Wall Act 1996 which sets out requirements for notice to be given to relevant adjoining owners of intended works on a shared wall, on a boundary or if excavations are to be carried out near a neighbouring building.

INFORMATIVE: Land Ownership

The applicant is advised that this planning permission does not convey the right to enter onto or build on land not within his ownership.

INFORMATIVE: Hours of Construction Work

The applicant is advised that under the Control of Pollution Act 1974, construction work which will be audible at the site boundary will be restricted to the following hours:-

8.00am - 6.00pm Monday to Friday

8.00am - 1.00pm Saturday

and not at all on Sundays and Bank Holidays.

INFORMATIVE: Community Infrastructure Levy

The applicant is advised that the proposed development will be liable for the Mayor of London and Haringey CIL. Based on the information given on the plans, the Mayoral CIL charge will be £7449.07 (115.4sqm x £64.55) and the Haringey CIL charge will be £45,423.75 (115.4sqm x £393.62). This will be collected by Haringey after/should the scheme is/be implemented and could be subject to surcharges for failure to assume liability, for failure to submit a commencement notice and/or for late payment, and subject to indexation in line with the construction costs index.

INFORMATIVE: The new development will require numbering.

The applicant should contact the Local Land Charges at least six weeks before the development is occupied (tel. 020 8489 3472) to arrange for the allocation of a suitable address.

- 1 You can find advice in regard to your rights of appeal at:
<https://www.gov.uk/appeal-planning-decision>.
- 2 This notice relates solely to a planning decision and does not purport to convey any approval or consent which may be required under the Building Regulations or

any other statutory purpose.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.

- 3 For more information about making a Building Regulations application, please contact Haringey Council Building Control Team by email building.control@haringey.gov.uk, telephone 020 8489 5504, or see our website at www.haringey.gov.uk/buildingcontrol.
