

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	HGY/2023/1331
Application type	Conservation Area Notification
Site Address:	25 Bishops Road, Hornsey, London, N6 4HP
Proposal	T1) Lime tree on rear garden boundary: Remove to ground level. Originally a sucker shoot from tall mature Lime directly behind in rear neighbouring property. Has developed into a small tree in the shade of mature parent tree. Dense canopy and stunted growth potential, has low amenity value and casts shade onto adjacent gardens. 2 mature Lime trees directly behind so losing this tree will not diminish foliage cover (see photo attachment). T2) Laurel in rear garden: Overall crown reduction by up to 1 metre; all pruning cuts to previous, most recent reduction framework.

RECOMMENDATION:	No Objection	
Application date	18/05/2023	
Tree Inspector	DM	Date: 13 th May 2023

Site

The Lime T1 and Laurel T2 trees are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1) Lime tree on rear garden boundary: Remove to ground level.

Originally a sucker shoot from tall mature Lime directly behind in rear neighbouring property. Has developed into a small tree in the shade of mature parent tree. Dense canopy and stunted growth potential, has low amenity value and casts shade onto adjacent gardens. 2 mature Lime trees directly behind so losing this tree will not diminish foliage cover (see photo attachment).

T2) Laurel in rear garden: Overall crown reduction by up to 1 metre; all pruning cuts to previous, most recent reduction framework.

Issues

I hold no objections to the proposed works.

T1 is a self set Lime that has been over lifted and is suppressed by taller growing Limes.

Works to T2 Laurel is repeat works.

Recommendation

No Objection
