Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

This application seeks an amendment to the approved scheme - planning application ref: HGY/2020/1779 relating to land at Redlands, Summerhill Road, N15 4HE to include the demolition of sections of the existing boundary wall and replacement with timber fencing.

Please state why you wish to make this amendment

This application seeks to include the demolition of sections of the existing boundary wall which surrounds the site as they are structurally unsafe. In June 2022 ATC Structural Engineers Ltd undertook an appraisal on the condition of the existing boundary walls at Redlands. The report concludes that the walls are generally in very poor condition and structurally unsafe.

We are therefore proposing to demolish certain sections of the boundary wall, specifically those which are above 3m in height, and replace with the following installed between concrete posts:

300mm gravel board
1800mm close boarded timber fencing
300mm trellis

- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
