Subject: 5 Day notice - Dead section of veteran Sycamore tree - 4 Cholmeley Park, Highgate, London, N6 5EU

I am seeking a 5 day notice on a dead section of large tree. One of the limbs has died back and needs to come down. It is dead and permissions as such don't need to be sought but as it is large and almost half a mature tree I thought I would put it through the council. The photos I have aren't great but you can see the outline of the dead stem.

Could you pass it on to the tree officer for me.

With thanks

Mark

The live foliage you see in this first photo is growing from the health stem.
