Site

The two Lime trees, as marked on the aerial photograph, are situated in the front garden of the property. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

2 x Lime trees at front of property: Re-pollard to previous, most recent reduction framework.

Issues

I hold no objections to the proposed reasonable repeat works.

The specification for pollarded Limes is within good arboricultural practice and husbandry.
