1. REPRESENTATIONS

1.1 No representations were received in response to notification and publicity of the application.

1.2 The following issues were raised by neighbours, local groups and Councillors:

- No responses

2. REASONS FOR GRANTING PERMISSION

2.1 The subject site is a two-storey mid-terrace residential dwellinghouse, finished in red brick on the front elevation with original timber frame windows. The site is set back from the road by a small front garden and benefits from a large rear garden.

2.2 The site is not located within any conservation area and does not fall within the curtilage of a listed building.

2.3 The planning history of the site has been taken into account when coming to this decision.

2.4 Permission is sought for a 6.7m deep infill extension to No. 53 South View Road to facilitate the implementation of a large kitchen/dining area. The extension would have an eaves height of 2.2m at the boundary (430mm above an extant boundary fence) and would have a pitched roof up to 3.4m against the rear of the house and outrigger.

2.5 Materially the proposed extension would be finished similarly to the host dwelling house and is therefore not deemed to be harmful to the building or surrounding area.

2.6 The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

2.7 The height and depth of the extension would not result in a material loss of sunlight or daylight, or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

2.8 The proposed development is in general accordance with Policies DM1, and DM12 of the Development Management, Development Plan Document 2017, and policies SP11 and SP12 of

Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

2.9 All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.
