

Location Plan (1:750)

KEY

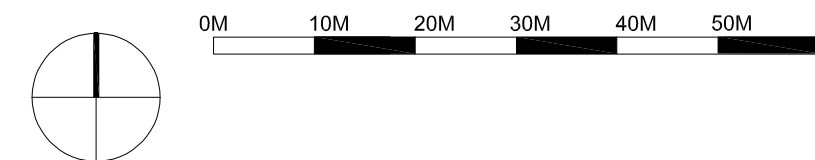

- 8 x 20m timber structure, on a concrete base. Lockable
- Indicative line of compound fencing
- Estate site boundary
- Tangmere Building - demolition in progress
- Banked ground (indicative)

Notes:

- Some removal of the existing banked earth will be required in order to construct the concrete base
- If removal of the young birch trees within the bank is required, they should be replanted in a suitable location

Aerial and street view of proposed compound area
