HISTORIC BUILDINGS AND CONSERVATION ADVICE

Dear Sir / Madam,

RE: 27 North Grove, Hornsey, London, N6 4SH

The application is for replacement of the rear windows to the upper ground and first floor.

The application site is within Highgate Conservation Area, Subarea 7 (Bishops). North Grove is a cul-de-sac comprising developments from various periods. The quiet and verdant nature of the cul-de-sac positively contribute to local character and appearance. The site is one of a late-twentieth century terrace of modern town houses with no particular architectural interest.

Having consulted the proposals, I do not envisage the replacement windows would have a detrimental impact upon the character or appearance of this part of the conservation area. Therefore, no objection is raised.

Yours sincerely,
