Hi Kwaku

I hope you are well. Apologies as I know I've missed the deadline for comments, but as a member of the town centres team who is responsible for Myddleton Road, I'm concerned at the loss of a commercial unit on a vibrant high street. My line manager Keith Trotter and I have been liaising with planning colleagues on the local plan elements affecting town centres and high streets including the protection of commercial space. Would it be possible to register an objection to the application at this late stage?

Best wishes

Ian
