Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

E - Commercial, Business and Service

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. [View more details on Use Classes.](#)

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

We are seeking consent for the use of the ground and first floor of this commercial property as offices to be deemed lawful. The floors in question have been in use as offices since February 2017 and were approved in principle under a non-material amendment in August 2015.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☒ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
☒ No

Please state why a Lawful Development Certificate should be granted

2010: Ground floor partially in use as offices/reception and partially in use as a storage space. First floor fully used as offices.

April 2015: Additional second storey granted for further office space under planning application HGY/2015/0514

August 2015: Non material amendment granted to re-arrange internal layout, re-position external windows and doors and also convert the full ground floor to office use. HGY/2015/1999.

Upon granting the non-material amendment the LPA acknowledged the change of use from storage space to offices. We would like this regularised via a Lawful Development Certificate. In addition, the ground and first floor have been partially or fully in use as offices since 2010 and therefore qualify for the 10 year rule.
