A site visit was deemed necessary to determine the appropriateness of the proposed works (27/06/2023 at 13:20 approximately).

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to tree protected by a TPO.

Large Oak - Reduce the large limb growing towards the south by 5-6m to alleviate the weight of the limb overhanging the garden. Remove major deadwood (removing deadwood over 25mm). Maintenance works in line with good Arboricultural practice.

Issues

I hold no objections to the proposed pruning works.

The specification on paper looks a heavy reduction.

However, from the site visit and confirmation of the extent of the pruning works shown in the marked photograph below, will bring the Oak's crown into a balanced form.

Recommendation

No Objection
