The trees are protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to trees protected by a TPO

T2, T3, T4, T5 Limes, lift to 3.5m, thin 25%.

T2 Lime cut back from neighbours garden

All works cyclical maintenance.

Issues

I hold no objections to the reasonable proposed pruning works. The specification is within good arboricultural practice and husbandry.

The trees have been pollard in the past to various stages. Limes respond well generally to such management.

The proposed works will have a lesser impact than pollarding and will allow for the crowns to be retained.

Recommendation

No Objection
