**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015
NOTICE OF PLANNING PERMISSION**

Case Reference HGY/2023/0130
Location Land to the rear of the block 1-14 Rowan, Methuen Park, London, N10 2JS
Proposal Demolition of the existing garages and construction of a single 6-bedroom family dwelling and associated works.
Received 16 January 2023

In pursuance of their powers under the above Act, the London Borough of Haringey as Local Planning Authority hereby PERMIT the above development received on the above date.

Title	Description	Date
LP - 01001 - Methuen Park.pdf	The location plan	16 January 2023
LP - 01002 - Methuen Park.pdf	Block plan of the site	16 January 2023
Planning Drawings.pdf	Mixed/Combined Plans	16 January 2023

Robbie McNaugher

Robbie McNaugher
Head of Development Management and Planning Enforcement
Planning Service

Conditions: (16)

- 1 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 3 Samples of materials to be used for the external surfaces of the development shall be submitted to, and approved in writing by, the Local Planning Authority before any above ground development is commenced. Samples should include sample panels or brick types and a roofing material sample combined with a schedule of the exact product references.

Reason: In order for the Local Planning Authority to retain control over the exact materials to be used for the proposed development and to assess the suitability of the samples submitted in the interests of visual amenity consistent with Policy D3 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 4 No development shall take place, including any works of demolition, until a Method of Construction Statement, to include details of:

- a) parking and management of vehicles of site personnel, operatives and visitors
- b) loading and unloading of plant and materials
- c) storage of plant and materials
- d) programme of works (including measures for traffic management)
- e) provision of boundary hoarding behind any visibility zones
- f) wheel washing facilities:

have been submitted to and approved in writing by the Local Planning Authority. Only the approved details shall be implemented and retained during the demolition and construction period.

Reason: To ensure there are no adverse impacts on the free flow of traffic

on local roads and to safeguard the amenities of the area consistent with Policies T4, T7 and D14 of the London Plan 2021, Policies SP0 of the Haringey Local Plan 2017 and with Policy DM1 of The Development Management DPD 2017.

- 5 Prior to the commencement of the development hereby approved details for the protection of retained trees and position of protective fencing in accordance with BS 5837:2012, shall be submitted to and approved in writing by the Local Planning Authority. The development thereafter shall be implemented in strict accordance with the approved details.

Reason: In order to ensure the safety and wellbeing of the trees close to the development during constructional works that are to remain after works are completed consistent with Policy G7 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 6 Prior to the first occupation of the development, a scheme for the treatment of the surroundings of the proposed development including the timescale for the planting of trees and/or shrubs and appropriate hard landscaping has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall be implemented in accordance with the approved details.

Reason: In order to provide a suitable setting for the proposed development in the interests of visual amenity consistent with Policy G7 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 7 Prior to the first occupation of the development, details of all enclosures around the site boundary (fencing, walling, openings etc) at a scale of 1:20, have been submitted to and approved in writing by the Local Planning Authority. Details shall include the proposed design, height and materials. The approved works shall be completed prior to occupation of the development and shall be permanently retained thereafter.

Reason: In the interest of public safety and security and to protect the visual amenity of the locality consistent with Policies D1 and D3 of the London Plan 2021 and Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 8 The dwelling hereby approved shall be designed to meet Part M4 (2) 'accessible and adaptable dwellings' of the Building Regulations 2015 (formerly Lifetime Homes Standard) unless otherwise agreed in writing with the Local Planning Authority.

Reason: To ensure that the proposed development meets the Council's Standards in relation to the provision of accessible and adaptable dwellings.

- 9 Before the first occupation of the dwelling hereby permitted, the upper floor side windows shall be fitted with obscured glazing and any part of the window that is less than 1.7 metres above the floor of the room in which it is installed shall be non-opening and fixed shut. The window shall be permanently retained in that condition thereafter.

Reason: To avoid overlooking into the adjoining properties and to comply with Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 10 The basement works hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the Council prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith and retained for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy.

- 11 No part of any structure hereby granted shall be used as a roof terrace or balcony.

Reason: In order to restrict the use of the premises to one compatible with the surrounding area because other uses within the same Use Class or another Use Class are not necessarily considered to be acceptable consistent with Policy DM1 of The Development Management DPD 2017.

- 12** Before any above ground development commences, details of the 'green roof' and a maintenance scheme shall be submitted to, and approved in writing by, the Local Planning Authority. Details shall include species, planting density, substrate and a section at a scale of 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof. The approved works shall be completed prior to occupation of the development and shall be permanently retained thereafter.

Reason: To ensure a sustainable development consistent with Policies SP0, SP4 and SP11 of the Haringey Local Plan 2017.

- 13** The garages and parking spaces shown on the approved drawings shall be permanently retained and used in connection with the dwelling forming part of the development, unless there is prior approval in writing by the local planning authority.

Reason: In order to ensure that the approved standards of provision of garages and parking spaces are maintained in accordance with the approved plans consistent with Policy T6.1 of the London Plan 2021 and Policy DM32 of The Development Management DPD 2017.

- 14** The applicant will be required to provide 1 car parking spaces with active electric charging points.

Reason: To comply with the London Plan, and reduce carbon emission in line with the Council's Local Plan Policy SP7.

- 15** The energy efficiency measures/features and renewable energy technology (air source heat pump), which provide for no less than 57% on-site regulated CO₂ reduction as detailed within the 'Energy Statement' shall be installed and operational prior to the first occupation of the development. Should, following further assessment, the approved renewable energy option be found to be no-longer suitable: a) a revised scheme of renewable energy provision, which shall provide for no less than 57% onsite regulated CO₂ reduction, shall be submitted to and approved in writing by the Local Planning Authority prior to any superstructure works commencing on site. The final agreed scheme shall be installed and operational prior to the first occupation of the development and shall be maintained as such thereafter.

Reason: To comply with Local Plan Policy SP4 and in the interest of adapting to climate change and to secure sustainable development.

- 16** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (and any order revoking and re-enacting the order) no extensions or outbuildings shall be built and no new window or door openings inserted into any elevation of the buildings (other than that development expressly authorised by this planning permission).

Reason: To safeguard the amenities of neighbouring occupiers and the general locality.

Informatives:

INFORMATIVE: The new development will require numbering. The applicant should contact the Local Land Charges at least six weeks before the development is occupied (tel. 020 8489 3472) to arrange for the allocation of a suitable address.

INFORMATIVE: Land Ownership

The applicant is advised that this planning permission does not convey the right to enter onto or build on land not within his ownership.

INFORMATIVE : Community Infrastructure Levy

The applicant is advised that the proposed development will be liable for the Mayor of London and Haringey CIL. Based on the information given on the plans, the Mayor's CIL charge will be £12,458.15 (193 sqm x £64.55) and the Haringey CIL charge will be £75,968.66 (193 sqm x £393.62). This will be collected by Haringey after the scheme is implemented and could be subject to surcharges for failure to assume liability, for failure to submit a commencement notice and/or for late payment, and subject to indexation in line with the construction costs index.

Note: The CIL rates published by the Mayor and Haringey in their respective Charging Schedules have been inflated in accordance with the CIL regulations by the inflation factor within the table below

INFORMATIVE: Hours of Construction Work

The applicant is advised that under the Control of Pollution Act 1974, construction work which will be audible at the site boundary will be restricted to the following hours:-

8.00am - 6.00pm Monday to Friday

8.00am - 1.00pm Saturday

and not at all on Sundays and Bank Holidays.
