Application date	12/06/2023	
Tree Inspector	DM	Date: 6 th July 2023

Site

The Holm Oak tree T1, as marked on the plan and seen in the photograph, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1: Holm oak (5m): Pollard to 2.5m to allow access around the tree and to keep tree at a size suitable for its location.

Issues

I hold no objections to the proposed works to the young Holm Oak.

The location is close to the house. The works will make the tree to scale to its surrounding.

Holm Oaks generally respond well to such pruning.

Recommendation

No Objection
