Details of the pre-application advice received

Officer: Josh Parker > Ref: PRE/2023/0109

Principle of Development > The proposed first floor front to the side of the property’s two-storey front gable, mirroring the first-floor front extension of the attached neighbouring semi-detached house at 64 Twyford Avenue, is considered acceptable in principle.

Design & Layout > The proposed extension mirrors the one erected approximately eight years ago on the attached neighbouring semi-detached house at 64 Twyford Avenue. Its proportions and general form are also very similar to first floor front extensions erected at 70 & 68 Twyford Avenue. Given this context, the design is considered subservient and proportionate to the host building and local surrounding area. Subject to the facing brick and bond, the brick course detailing around the proposed first floor front window, the proportions and design of the window and the roof tiles being a good match for the existing building the proposed extension is considered acceptable.

Amenity > The proposal would not impact attached neighbouring properties due to its siting, separation, and design. The proposal does not have any windows facing the neighbours at 68 and therefore is not considered to adversely impact neighbouring properties by reason of overbearingness, loss of daylight/sunlight or loss of privacy and would be considered acceptable.

Conclusion > Subject to the comments and advice set out above, the proposal is considered acceptable. A householder planning application will be required should you wish to proceed with the proposed development.

NOTE: Larger Extension Prior Approval Issued 3rd July 2023 / Officer: Oskar Gregersen REF HGY/2023/1359

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
