

This architectural elevation drawing shows a three-story building facade with a central entrance and two side wings. The drawing includes numerous level markers in meters, such as 110.66, 109.98, 105.81, 104.80, 100.00 (Datum), and 95.00. Two vertical dashed red lines mark the 'Assumed Boundary Line' on either side of the central entrance. A horizontal dashed red line at the 100.00m level is labeled 'Datum: + 100.00m'. At the bottom, a horizontal dimension line indicates the 'Site Width'. The facade features various materials like 'Brick', 'Render', and 'Roof Tile', as well as architectural elements like 'Gutter', 'Vent', 'Railing', and 'Handrail'. Some areas are marked 'Restricted Access Not Surveyed'. The drawing is a technical representation of a building's exterior, likely for planning or construction purposes.
