Dear Planning team,

Objection
Case reference: HGY/2023/1406
Location: 10 Ellington Road, London, N10 3DG
Proposal: Demolition of the existing buildings (garages and flat) and erection of 5 replacement dwellings, arranged as two terraced houses and three flats
Reply by: 12 July 2023

Please could you add this to the list of objections including my own previous submission

I'd like to add this much missing image from the proposed building plans.

This is a street view from the other side of 10 Ellington Road, N10 3DG showing elements which are detailed in many of the objections about the proposed building plans, concerning the style, make up and area of Ellington Road with many low level surrounding homes and open garden spaces.

Many thanks
Nick
