1. REPRESENTATIONS

1.1 No representations were received in response to notification and publicity of the application.

1.2 The following issues were raised by neighbours, local groups and Councillors:

- No responses

2. REASONS FOR GRANTING PERMISSION

2.1 The subject site is a two-storey residential dwellinghouse situated within the area covered by the South Tottenham SPD, the surrounding area is a mix of architectural styles with a wide variety of rooflines. The site is not located within any conservation area and does not fall within the curtilage of a listed building.

2.2 The planning history of the site has been taken into account when coming to this decision.

2.3 Permission is sought for a Type-3 home extension, to provide an additional floor with the details from the floors below retained. The submitted drawings show the proposal to be in line with the guidelines set out for type-3 home extensions under the South Tottenham SPD and is deemed to be acceptable.

2.4 Officers note that a condition will be added to ensure that the materials used on the proposed will match the details of the floors below and maintain adherence to the South Tottenham SPD.

2.5 Submitted drawings also show the installation of no.3 velux rooflights on each the front and rear roof slopes. As the site is not in a conservation area, this change is deemed to be in line with policy and the pattern of development in the area and can be supported.

2.6 The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

2.7 The height and depth of the extension would not result in a material loss of sunlight or daylight, or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

2.8 The proposed development is in general accordance with Policies DM1, and DM12 of the Development Management, Development Plan Document 2017, and policies SP11 and SP12 of Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

2.9 All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.

GRANT PERMISSION subject to condition(s):

Conditions:

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The external materials to be used for the proposed development shall match precisely in colour, size, shape and texture those of the existing building. The render of the flank wall gable ends and frontage of the second floor shall replicate the texture an
