**Conditions: (3)**

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 No development shall commence until a Chartered Civil Engineer (MICE) or Chartered Structural Engineer (MI Struct.E) has been appointed, and such appointment confirmed in writing to the local planning authority, to supervise the construction works throughout their duration. In the event that the appointed engineer ceases to perform that role for whatever reason before the construction works are completed, those works will cease until a replacement chartered engineer of the afore-described qualification has been appointed, and such appointment confirmed in writing to the local planning authority, to supervise their completion. At no time shall any construction work take place unless an engineer is at that time currently appointed and their appointment has been notified to the local planning authority in accordance with this condition.

Reason: To ensure that the proposed development would have no undue impact on the structural integrity of adjoining and neighbouring buildings, in accordance with Policy DM18 of the Haringey Development Management DPD 2017.

**Informatives:**

**INFORMATIVE: Party Wall Act**

The applicant's attention is drawn to the Party Wall Act 1996 which sets out requirements for notice to be given to relevant adjoining owners of intended works on a shared wall, on a boundary or if excavations are to be carried out near a neighbouring building.

**INFORMATIVE: Land Ownership**

The applicant is advised that this planning permission does not convey the right to enter onto or build on land not within his ownership.

**INFORMATIVE: Hours of Construction Work**

The applicant is advised that under the Control of Pollution Act 1974, construction work which will be audible at the site boundary will be restricted to the following hours:-

8.00am - 6.00pm Monday to Friday

8.00am - 1.00pm Saturday

and not at all on Sundays and Bank Holidays.
