CONSULTATION RESPONSES

No representations were received in response to the notification and publicity of this application.

REASONS FOR GRANTING PERMISSION

This application proposes the erection of first floor rear extensions at no's 41 & 43 and the relocation of existing ground floor extension skylights. The mono pitched extensions would adjoin at the boundary, sloping down towards neighbouring properties to each site. The proposal replicates the form of development seen at 50 & 52 (allowed under appeal), 60 & 62 Fairview Road, 1 & 3 Clifton Gardens and 19 & 21 Cadoxton Avenue.

The proposed extensions are to be constructed in materials which would match the original materials used in construction of the dwelling. The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

The proposed extensions are set away from neighbouring boundaries limiting overshadowing and interference with outlook and where adjoining, each application site is unaffected. A condition will be added to this permission to ensure that construction is implemented together to ensure there would be no adverse impact if one property were to construct the extension and the other did not. The height, depth and placement of the extension would not result in a material loss of sunlight or daylight or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

The proposed development is in general accordance with Policies DM1 and DM12 of the Development Management, Development Plan Document 2017, and policy SP11 of Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.

Conditions:

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The external materials to be used for the proposed development shall match in colour, size, shape and texture those of the existing building.

Reason: In order to ensure a satisfactory appearance for the proposed development, to safeguard the visual amenity of neighbouring properties and the appearance of the locality consistent with Policy D3 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 4 The development hereby approved shall be implemented, built and completed at the same time in respect of both properties No's 41 & 43 Fairview Road unless otherwise agreed in writing with the Local Planning Authority prior to the commencement of development.

Reason: In the interests of co-ordinating the development and the provisions of the Planning & Compulsory Purchase Act 2004.

Informatives:

- **INFORMATIVE: Party Wall Act**
