RECOMMENDATION:	No Objection	
Application date

Site

The Eucalyptus tree T1, as marked on the plan and seen in the photograph, is situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Eucalyptus (T1): Fell

Issues

I hold no objections to the removal of the Eucalyptus tree. The tree has had poor past pruning, poor form, and shape, and is co-dominant.

The tree would not be worthy of a Tree Preservation Order (TPO) when using a methodology to rate its worthiness for a TPO.

Recommendation

No Objection
