For the attention of the Chief Planning Officer

Dear Sir/Madam,

Cellnex UK and Vodafone Ltd

Submission of an Application for Planning Permission

Installation of radio apparatus at Muswell Hill ATE, Grand Avenue, London, N10 3AY (Cellnex site ref: COM-0020406, Site ref: 166663).

- ***Sector 1: The removal of the current existing GRP shrouding on the exchange rooftop. This is due to the installation of 1 x new AIR 3227 antenna at 14.9m which will be installed to the existing steel work and painted to match existing brickwork.***
- ***Sector 2 & 3: The removal of the current existing GRP shrouding on the exchange rooftop. This is due to the installation of 2 x new AIR 3227 antenna at 13.7m which will be installed to the existing steel work and painted to match existing brickwork.***
- ***There will also be the removal of the large CTIL free standing GRP cabinet access platform with handrails from the rooftop. At ground level there will be the removal of the existing meter cabinet to be replaced by 1 x new Siemens Meter cabinet.***
- ***Ancillary works will see the refreshment of 1 x CSC cabinets on existing plinth on the rooftop and the installation of 3 x 6-pair multicore fibre cables within existing feeder management.***

On behalf of Vodafone Ltd, in conjunction with Cornerstone, we submit herewith an application for planning permission for the development of electronic 5G communications apparatus at the above site. This application follows the completion of our pre-application engagement exercise. An informal pre-application letter was sent to the Council on the 14th of June 2023; however, no response was received in this instance.

We enclose the following:

We indicated in our prior engagement letter that the Traffic Light Rating was red. We did not receive a response to our pre-application engagement, as such the traffic light rating will remain as is.

We would be willing to meet to discuss the merits of the application, or to assist with any visits of the site and surrounding area, if this is beneficial to the determination of the application.

We trust everything is in order, but please contact me if you require any additional information or clarification in relation to the proposed development.

Yours faithfully
