Description of the Proposal

Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

19 Albany Road has been occupied as 2 maisonettes since the 1990s, however, proper planning permission was never sought, and we are in the process of regularising this use via application for LDC Reference number: PP-12228777 (submitted Thurs 20 July 2023).

We are seeking to recombine the maisonettes into a single family dwelling, in line with the original use of the house.

This will involve removing internal partition walls in the hallway, and removal of the second kitchen, which is currently located on the first floor.

At the same time, we would like to reinstate the original basement entrance door, as exists at neighbouring houses (for example, our direct neighbors at number 17).

Has the work or change of use already started?

Details of the pre-application advice received

Hello, we met with Josh Parker about our desire to first have the existing use as 2 flats recognised through a LDC (application submitted, number PP-12228777) then to apply to recombine the flats into one family home.

The reason we are seeking to first recognise the existing use, then recombine, is to benefit from the 5% VAT rate for works such as these, which will help with the cost of e.g. recombining the plumbing and electrics systems.

Mr Parker let us know that he thought we had a strong case for the recognition of existing use, as the use clearly dates back to the 1990s, and that there shouldn't be a problem recombining as we are not located in an Article 4 Family Housing Area.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
