Informatives:

INFORMATIVE: Party Wall Act

The applicant's attention is drawn to the Party Wall Act 1996 which sets out requirements for notice to be given to relevant adjoining owners of intended works on a shared wall, on a boundary or if excavations are to be carried out near a neighbouring building.

INFORMATIVE: Land Ownership

The applicant is advised that this planning permission does not convey the right to enter onto or build on land not within his ownership.

INFORMATIVE: Hours of Construction Work

The applicant is advised that under the Control of Pollution Act 1974, construction work which will be audible at the site boundary will be restricted to the following hours:-

8.00am - 6.00pm Monday to Friday

8.00am - 1.00pm Saturday

and not at all on Sundays and Bank Holidays.

INFORMATIVE: Crossovers

The proposed development would require a new crossover to be created. The necessary works would be carried out by the Council at the applicant's expense once all the necessary internal site works have been completed. The applicant should telephone 020 8489 1316 to obtain a cost estimate and to arrange for the works to be carried out. Equally installing a vehicle crossover here would trigger the need to amend an existing Traffic Management Order (TMO), with the full cost of amending both the TMO and changing road markings being needed to be met by the applicants. The applicants must be aware that there could be objections to amending the TMO due to the loss of on-street car parking and the objections may not be resolved, nor can the granting of planning consent here be taken as to convey certainty that amending the TMO is supported.
