Approve with Conditions

1. REPRESENTATIONS

1.1 No representations were received in response to notification and publicity of the application.

2. REASONS FOR GRANTING PERMISSION

2.1 The subject site two storey mid-terrace property that backs onto allotments that sit between Mannock Road and Langham Place. The site is not located within a conservation area and does not fall within the curtilage of a listed building. There is no planning history on this site.

2.2 Permission is sought for the replacement of the original rear projection with a slightly taller structure. The depth of the new structure will be the same depth as the original structure. The two single doors will be replaced with 2x sets of glazed double doors with 1 fixed full height central window.

2.3 The height and depth of the extension would not result in a material loss of sunlight or daylight, or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

2.4 The proposed development is in general accordance with Policies DM1 and DM12 of the Development Management, Development Plan Document 2017, and policies SP11 and SP12 of Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

2.5 All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.
