

Please note this letter of reliance is issued to Haringey Planning only.

Development: Remington Road, N15 6SS.

Confirmation Letter

Planning Condition 14 No Telecommunication apparatus

Notwithstanding any provisions to the contrary, no telecommunications apparatus (including satellite dishes) shall be installed on the building without the prior written agreement of the Local Planning Authority.

London Borough Haringey Employer Requirements (Client)

4.45 Television and Telephone Installations

4.45.1 Dwellings shall be provided with a complete communal 9 Wire Integrated Reception System (IRS) that enables each dwelling to receive all current terrestrial analogue, terrestrial digital, satellite digital (including Sky Plus/Q), Virgin, FM radio and DAB radio services. An outlet point shall be provided in the living room and main bedroom of each unit. The Contractor shall provide all equipment, cable, aerial, dish, etc. as necessary.

4.45.5 The service is to run in concealed conduit and the Contractor must test/record to ensure that an adequate signal strength is available at the outlets for terrestrial stations and satellite.

4.45.11 The flats should be connected to a communal IRS system.
