Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted as we have carried out a pre-app advice meeting (ref 1003574) with Planning Officer Benjamin Coffie on the 18/07/23 who advised that all the works proposed fell within the permitted development category, but in order to have some certainty over these matters it was advised that it was sensible to apply for a certificate of lawfulness to cover these additional works to the original house.
