

Indicative Layout - NFL Team 2 Locker Room

The 'Away' NFL locker facility is located at Level 00 in the NW corner of the stadium. The overall facility runs over an area of 1,590 sqm (17,114 sq ft) and consists of two main areas NFL primary user areas and areas used in NFL mode where the primary use is soccer. The NFL primary user areas consist of the main NFL players locker room and associated medical and equipment stores. These facilities are designated as NFL primary user areas and will be fitted out in line with NFL requirements with any soccer use being of secondary use.

NFL coaches have access to the 'Away' soccer team facilities for change, whilst the players and coaches have access to the main soccer press conference facility within the stadium, for their own press conferences and for pre match briefing/ meetings. These facilities are designated as soccer primary user areas and will be fitted out in line with THFC and EPL requirements with any NFL use being of secondary use.
