Details of the pre-application advice received

The principle of a rear and side return extension is considered acceptable in this location as it is in keeping with the local context.

No concern raised with regards to the size and scale.

There is a small gap between the side of the extension at No.30 and the shared boundary line with No.28, providing light to two non-habitable windows. As per the drawing with the Pre-Application submission one window is shown, while in the approved drawings two non-habitable windows are shown.

The windows on the side of No.30 faces the wall of an existing infill extension to this property. Mindful of this, conditions of light and outlook to No.30 are not viewed to be adversely affected.

Owing to the scale, location and relationship to neighbouring buildings, it is considered that the extensions would not result in a material loss of privacy, outlook, loss of sunlight/daylight nor undue increase in enclosure levels and therefore complies with the Haringey's Local Plan and Haringey Development Management Policies 2017.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☐ Yes
- ☒ No
