RELEVANT PLANNING LEGISLATION

The Town and Country Planning (General Permitted Development) (England) Order 2015 came into force on 15th April 2015 (SI no. 596), consolidating earlier legislation. Schedule 2, part 1 (Class A) of the Order allows householders to be able to build larger single-storey rear extensions under permitted development.

ANALYSIS/ASSESSMENT OF THE APPLICATION

The key issue here is whether the development is permitted development (in accordance with Class A, Part 1 of schedule 2, of The Town and Country Planning (General Permitted Development) (England) Order 2015 and if so whether the Prior Approval of the Local Planning Authority will be required as to the impact of the proposed extension on residential amenity.

PRIOR NOTIFICATION SUBMISSION REQUIREMENTS

Whether the following information has been provided to the Local Planning Authority:

A written description of the proposed development
YES

How far the enlarged part of the dwellinghouse extends beyond the rear wall of the original dwellinghouse
YES

The maximum height of the enlarged part of the dwellinghouse
YES

The height of the eaves of the enlarged part of the dwellinghouse
YES

A plan indicating the site and showing the proposed development
YES

The addresses of any adjoining premises (including those to the rear)
YES

The developer's contact address
YES

The developer's email address if the developer is content to receive communications electronically.
YES

Whether permitted development

If any of the following statements apply, then the proposal is not permitted development:

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, N, P or Q of Part 3 of this Schedule (changes of use):
NO

(b) The works result in more than 50% of the curtilage being covered by buildings:
NO

(c) The height of the extension is higher than the highest part of the roof of the existing dwellinghouse:
NO

(d) The height of the eaves of the extension is higher than the height of the eaves of the existing dwellinghouse:
NO

(e) The extension would extend beyond a wall which

(i) forms the principal elevation of the original dwellinghouse; or
(ii) fronts a highway and forms a side elevation of the original dwellinghouse:
NO

(f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and—(i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or
(ii) exceed 4 metres in height;
N/A

(g) the extension is on article 2(3) land (conservation area) or SSSI, or
NO

(g) (i) the extension is single-storey and extends beyond the rear wall of the original dwellinghouse by more than 8 metres in case of a detached dwelling house, or 6m in case of any other dwelling house:
NO

(g) (ii) the extension exceeds 4 metres in height:
NO

(h) the enlarged part of the dwellinghouse is two storey (prior approval is only applicable to single-storey rear extensions):
NO

(i) the height of the eaves of the extension is higher than 3 Metres (only applicable for extensions within 2 metres from the boundary of the curtilage of the dwellinghouse)
NO

(j) the extension is to the side (prior approval is only applicable to single-storey rear extensions)
YES - The proposed extension wraps around the property's original 2-storey rear outrigger. As such the extension will be to the side of an original side elevation of the house and cannot therefore be PD under Class A.

(ja) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out (e) to (j)
NO

(k) it would consist of or include the construction or provision of a veranda, balcony or raised platform; the installation, alteration or replacement of a microwave antenna; the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or an alteration to any part of the roof of the dwellinghouse. (prior approval is only applicable to single-storey rear extensions)
NO

Conditions A.3 Development is permitted by Class A subject to the following conditions—

(a) the materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

An informative will be included on the decision notice reminding that the materials used must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

Condition A, 4 paragraph (3) of Class A states that the LPA may refuse an application where in the opinion of the authority – (a) the proposed development does not comply with or (b) the developer has provided insufficient information to enable the authority to establish whether the proposed development complies with, the conditions, limitations or restrictions applicable to development permitted by Class A which exceeds the limits in paragraph A.1(f) but is allowed by paragraph A.1(g).

Sufficient information has been provided to enable the LPA to determine that the proposal complies with the provision outlined above.

IMPACT ON NEIGHBOURING AMENITY

If an objection is received within 21 days, the Local Planning Authority must make a judgement as to whether there will be an impact on amenity from the proposed extension. If the LPA considers that there will be an impact, then they have to send a notice to the owner stating that prior approval is required, and that it is refused. This has to be done within 42 days (6 weeks) of receipt of the application. If it is not sent to the applicant within 42 days, then it is deemed that the proposal is acceptable.

In this particular instance an objection has been raised. The Local Planning Authority has assessed the proposal and consider that by virtue of the depth and height of the extension it would have an adverse effect on the amenity of neighbouring residents leading to a material loss of light and outlook and increased sense of enclosure and as such is contrary to the amenity considerations set out in Policies D3 & D6 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017, and Policies DM12 of Haringey Development Management DPD 2017.

RECOMMENDATION

Prior approval is required and refused for the following reasons:

Refusal Reasons:

The extension would have an adverse effect on the amenity of neighbouring residents by reason of a material loss of light and outlook and increased sense of enclosure and thereby is contrary to the amenity considerations set out Policies D3 & D6 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017, and Policies DM12 of Haringey Development Management DPD 2017.

The proposed extension does not fall within the limits of permitted development under Class A, Part 1 of schedule 2, of The Town and Country Planning (General Permitted Development) (England) Order 2015 as it extends beyond an original side elevation of the property and would extend across more than half the property's width.
