

4 Colwick Close:
Example of house type with roof
sloping toward the rear

13 and 14 Colwick Close:
Examples of house type with
roof sloping toward the rear

10 Colwick Close:
Example of house type with roof
sloping toward the rear

Photo from outside no.4, looking
back toward nos.13 and 14,
showing many houses with the
roof high at the front, sloping
back to the rear of the property.
