Details of the pre-application advice received

The proposals submitted as part of this planning application are the same as those submitted with the pre-application. The LPA has confirmed,

"The scale of the proposed side extension would be acceptable, as the extension is sufficiently lowered (in comparison to previously refused application HGY/2023/1338) and set back from the front elevation to appear sub-ordinate to the host dwellinghouse. Material choices would be acceptable and would not have any negative impact on the host dwellinghouse or surrounding area".

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
