Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed garden room will be used as a garden office, allowing the applicant the flexibility to work from home as and when the need arises, independently to the main house. The structure has been carefully designed to respect the character, form, scale, and materials of the property and surrounding area. Due to its unique design, it will provide a visually stunning outbuilding available to the applicant for all year round. It is therefore considered that the proposal will have no harmful effect on the character and appearance of the Highgate Conservation area guidelines, which will be preserved. Nor is it considered to adversely affect the setting of nearby listed buildings
