Application number	HGY/2023/1897
Application type	Conservation Area Notification
Site Address:	24 Birchwood Avenue, Hornsey, London, N10 3BE
Proposal	Reduce ash (T1) by 3.5m, taking the crown 2m below previous cuts allowing more light into the surrounding gardens.

RECOMMENDATION:	No Objection	
Application date	17/07/2023	
Tree Inspector	DM	Date: 16 th August 2023

Site

The Ash *Fraxinus* spp. tree, as marked on the plan and seen in the photograph, is situated in the rear garden of the property. It is not publicly visible. Amenity value is shared by the surrounding properties.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Reduce ash (T1) by 3.5m, taking the crown 2m below previous cuts allowing more light into the surrounding gardens.

Issues

I hold no objections to the proposed pruning works.

The large Ash tree has good vigour, vitality and has been heavily reduced before to scale to its surroundings.

Ash trees generally respond well to crown reductions and the Ash will restore its crown within a short timescale.

Recommendation

No Objection
