The Cherry tree T1, as marked on the plan, is situated in the rear garden of the property. It is publicly visible from Osbourne Road.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Stroud Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Issues

I hold no objections to the proposed pruning works.

The Cheery has been reduced before and the specification is reasonable.
