The Elder and Yew trees T2, & T4 are situated in the rear of the property (garage area). They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Fortis Court Garage Area

T2: Elder (5.5m): Fell to ground level due to decay on trunk and main branches throughout crown

T4: Yew (9.5m) Crown lift to 2.5m over access road to clear vehicles

Issues

I hold no objection to the proposed works. The Elder is not worthy of a Tree Preservation Order and the specification for the Yew is within good arboricultural practice and husbandry.

Recommendation

No Objection
