Subject: 5 day notice - 30 Cholmeley Crescent N6

Please can you register this 5 day notice to fell a very almost dead weeping cherry tree at 30 Cholmeley Crescent N6. There is extensive decay at the base of the tree, indicated by the Ganoderma in the photos. Most the tree is dead, and because of the shape and form I'm concerned large branches will fail shortly. A branch failed on a still evening a few weeks ago.

Please see the attached photos.

The tree owner will replant with another deciduous tree. Probably magnolia.

Kind regards
