

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/1643
Application type	Conservation Area Notification
Site Address:	10 Stanhope Gardens, Hornsey, London, N6 5TS
Proposal	Rear Garden: T1: Mature Conifer - (adjacent to Poplar): Approximately 8.00m. Fell to as near to ground level as is practicable. Reason: The tree is almost totally enveloped in Ivy. The Ivy has been severed and has died back but the tree is unlikely to regenerate.

RECOMMENDATION:	No Objection	
Application date	21/06/2023	
Tree Inspector	DM	Date: 5 th September 2023

Site

The Mature Conifer tree T1, as marked on the sketch plan and seen in the photographs, is situated in the rear garden of the property. It is not publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (05/09/2023 at approximately 8am).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Rear Garden:

T1: Mature Conifer - (adjacent to Poplar): Approximately 8.00m. Fell to as near to ground level as is practicable.

Reason: The tree is almost totally enveloped in Ivy. The Ivy has been severed and has died back but the tree is unlikely to regenerate.

Issues

I hold no objections to the removal of the above tree.

From a site visit it was evident that now the ivy has had time to die back that the tree has suffered with much dead throughout.

The tree is not worthy of a Tree Preservation Order (TPO) when using a methodology to rate its worthiness for a TPO.

There is a condition to re plant dead, dying, and dangerous trees within a Conservation Area.

Recommendation

No Objection

Condition: Re plant 10-12cm girth *Prunus* spp.
