

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2111
Application type	Conservation Area Notification
Site Address:	141 Hornsey Lane Hornsey London N6 5NH
Proposal	Front Garden: North eastern boundary with No.143: T1: Mature Cherry: Approximately 13.00m: Fell to ground level. Tree is in decline, suffering crown dieback and main stem almost totally dead. T2: Thuja: Approximately 8.00m: Fell to ground level. Dying tree.

RECOMMENDATION:	No Objection	
Application date	03/08/2023	
Tree Inspector	DM	Date: 11 th September 2023

Site

The Cherry and Thuja T1, and T2, as marked on the plan, trees are situated in the front garden of the property. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Front Garden:

North eastern boundary with No.143:

T1: Mature Cherry: Approximately 13.00m: Fell to ground level. Tree is in decline, suffering crown dieback and main stem almost totally dead.

T2: Thuja: Approximately 8.00m: Fell to ground level. Dying tree.

Issues

I hold no objections to the proposed works as the trees are within a poor condition.

There is a condition to re plant dead, dying, and dangerous trees within a Conservation Area.

The raised planter to the front would make a good re planting pplace.

Recommendation

No Objection

Condition: Re plant 10-12cm girth Himalayan Birch
