Refusal Reasons: (3)

- 1 The proposed conversion of this single-family dwelling into an HMO would result in unacceptable loss of family housing for which there is an identified need, undermining the Council's ability to meet its housing targets as set out in the London Plan. The proposal is therefore contrary to London Plan Policy H8, Policy SP2 of the Haringey Local Plan (2017) and Policies DM10 and DM17 of Haringey's Development Management DPD (2017).
- 2 The proposed change of use to a house in multiple (HMO) would by reason of the lack adequate cycle parking provision and lack of sufficient shared facilities internally, provide substandard quality of accommodation for future occupiers, contrary to Policies D12, DM17 and DM35 of the Council's Development Management DPD (2017) and Policy D6 of the London Plan (2021).
- 3 The proposed development would result in an over-intensive use of the property and an increase in levels of activity and noise that would be detrimental to neighbouring residential amenity, contrary to Policies DM1 and DM17 of Haringey Council's Development Management DPD (2017).
