

Dear Resident

Kerswell Close

We are Selsdon Building contractors and have been appointed by Haringey Council as principal contractor on the Kerswell Close development.

As you may be aware, Haringey Council has received planning permission to build 25 new council rent homes at Kerswell Close St Ann's Road on the corner of Seven Sisters Road, N15 5RP. These new council homes are part of Haringey Council's ambitious programme to build a new generation of affordable homes for local residents.

We are writing to let you know that there was an error in our previous letter to you. Our 'meet the team' event will take place in person and not online as previously stated.

You are welcome to meet with us on site to find out more about our work. This is a drop in session and all are welcome. Details are below:

Date: Wednesday 10 May 2023

Time: 12.30pm - 2.30pm

Location: Site entrance, Kerswell Close St Ann's Road on the corner of Seven Sisters Road, N15 5RP

In the interim, if you would like to speak to anyone in the team about the works or if you have any concerns, I will be your first point of contact until a new site manager is appointed.

Thank you in advance for your co-operation.

Kind Regards,

Ian Jerrett
