OBJECTION

I have lived at this address for over 44 years and during that time have seen many changes in Myddleton Road. The local community has a strong interest in Myddleton Road. Retailers have invested in the street and it won an award for "Best High Street" a few years ago. We want to offer as many shops as possible and to encourage new businesses.

I strongly object to Retail units being turned into residential units as this will result in less people visiting Myddleton Road and the inevitable closure of more shops. I would also add that this is a conservation area, in place to protect the shops.

Yours faithfully

Susan Mears
