

Technical drawing of a door frame assembly. The drawing shows a cross-section of the frame with various dimensions and components labeled.

Dimensions:

- Overall height: 2000
- Overall width: 1990
- Top section height: 65
- Section height: 715
- Section width: 80
- Section height: 1085
- Section width: 129
- Section height: 75
- Section width: 1175
- Section height: 2020

Components:

- Door frame assembly (top section)
- Door frame assembly (middle section)
- Door frame assembly (bottom section)
- Door frame assembly (left section)
- Door frame assembly (right section)

Technical drawings of window and door profiles, showing various configurations and dimensions. The drawings are organized into two rows and three columns.

Top Row (Windows):

- Left:** A fixed window profile with a 2x2 grid pattern. The word "FIXED" is written in the bottom right pane.
- Middle:** A window profile with a 2x2 grid pattern. The top panes are labeled "FIXED" and "FIXED". The bottom panes are labeled "FIXED" and "FIXED".
- Right:** A fixed window profile with a 2x2 grid pattern. The word "FIXED" is written in the bottom right pane.

Bottom Row (Doors):

- Left:** A door profile with a single pane. The word "FIXED" is written in the center.
- Middle:** A door profile with a single pane. The word "FIXED" is written in the center.
- Right:** A door profile with a single pane. The word "FIXED" is written in the center.

Each drawing includes dimension lines and arrows indicating the profile's structure and components.
