| RECOMMENDATION:  | No Objection |                                    |
| Application date | 06/09/2023   |                                    |
| Tree Inspector   | DM           | Date: 3 <sup>rd</sup> October 2023 |

## **Site**

The Yew and Ash trees, as marked on the plan and seen in the photographs, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

## **Proposal**

Tree works proposed.

Yew - Remove the horizontal branches growing to the east and overhanging the neighbours garden to a height of 3m above the garden wall

Reduce the next 2m of horizontal branches by 50%

Ash - Reduce the large branch overhanging the neighbours rear garden (as indicated in picture)

Maintenance works in line with good Arboricultural practice.

## **Issues**

I hold no objections to the reasonable sensitive proposed pruning works.

The specification is within good arboricultural practice and husbandry.

## **Recommendation**

**No Objection**
