

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2387
Application type	Conservation Area Notification
Site Address:	8 Grove Park Road, Tottenham, London, N15 4SN
Proposal	Rear garden with side access T1 - 58DBH Lime with a big open cavity at the base - Fell as close as possible to ground level and treat the stump to prevent regrowth T2 - 69DBH Sycamore - Crown reduce by 2m to form a more compact crown

RECOMMENDATION:	No Objection	
Application date	05/09/23	
Tree Inspector	DM	Date: 4 th October 2023

Site

The Lime and Sycamore trees T1 & T2, as marked on the plan and seen in the photographs, are situated in the rear garden of the property. T1 is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Tottenham Central Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Rear garden with side access

T1 - 58DBH Lime with a big open cavity at the base

- Fell as close as possible to ground level and treat the stump to prevent regrowth

T2 - 69DBH Sycamore

- Crown reduce by 2m to form a more compact crown.

Issues

I hold no objections to the proposed works.

Unfortunately, the Lime's decay in the trunk is extensive.

The reduction to the Sycamore T2 is within good arboricultural practice and husbandry.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
