

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2442
Application type	Conservation Area Notification
Site Address:	58 Jacksons Lane, Hornsey, London, N6 5SX
Proposal	T1-Ginkgo tree- (8m) reduce height by approximately 1.5m and lateral branches by upto 1m . Reduce smaller Co- dominant trunk by more than dominant trunk. T2- Dead Ivy clad Cherry tree - (12m)- cut to ground level.

RECOMMENDATION:	No Objection	
Application date	11/09/2023	
Tree Inspector	DM	Date: 5 th October 2023

Site

The Ginkgo and Cherry trees T1 and T2, as marked on the plan and seen in the photographs, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1-Ginkgo tree- (8m) reduce height by approximately 1.5m and lateral branches by upto 1m . Reduce smaller Co- dominant trunk by more than dominant trunk.

T2- Dead Ivy clad Cherry tree - (12m)- cut to ground level.

Issues

I hold no objections to the proposed works.

Ginkgo trees, like Monkey Puzzles, outside their native range grow codominant. Formative pruning the smaller trunk will aid the trees development. Reducing the tree will keep the tree in scale to its surroundings.

The dead cherry tree is exempt.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
