Conditions: (5)

- 1** The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2** The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3** No development shall take place, including any works of demolition, until a Method of Construction Statement, to include details of:
 - a) parking and management of vehicles of site personnel, operatives and visitors;
 - b) loading and unloading of plant and machinery;
 - c) details of measures to protect pedestrians and other highways users from construction activities on the highway.

Reason: To protect the amenity of neighbouring properties and to maintain traffic safety.

- 4** Prior to the commencement of the approved use, details of the type and location of secure and covered cycle parking facilities for have been submitted to and approved in writing by the Local Planning Authority. The use shall not commence until the cycle parking spaces have been installed in accordance with the approved details. Such spaces shall be retained thereafter for this use only.

Reason: To promote sustainable modes of transport in accordance with London Plan 2021 and Policy SP7 of the Haringey Local Plan 2017.

- 5** The design and installation of new items of fixed plant hereby approved by this permission shall be such that, when in operation, the cumulative noise level LAeq 15 min arising from the proposed plant, measured, or predicted at 1m from the facade of nearest residential premises shall be a rating level of at least 5dB(A) below the background noise level LAF90. The measurement and/or prediction of the noise should be carried out in

accordance with the methodology contained within BS 4142: 1997. Upon request by the local planning authority a noise report shall be produced by a competent person and shall be submitted to and approved by the local planning authority to demonstrate compliance with the above criteria.

Reason: In order to protect the amenities of nearby residential occupiers consistent with Policy D14 of the London Plan 2021 and Policies DM1 and DM23 of The Development Management DPD 2017.

Informatives:

INFORMATIVE: Asbestos
