

Ground Floor External Cladding

Ecoscape Spiced Oak composite cladding board

Why Choose Ecoscape?

Ecoscape are committed to ethical sourcing and providing the highest quality composite products such as our range of composite decking, composite cladding, composite fencing and more.

We believe sustainability and recycled materials are essential for the benefit of our environment. Our products are an innovative blend of recycled FSC® waste fibres (otherwise used as landfill) and recycled HDPE, producing a product which is 95% recycled.

TONS OF PLASTIC IN 2021

25 YEAR WARRANTY

LOW MAINTENANCE

EASY, EASY INSTALL

UV STABLE

HIDDEN FIXINGS

Colour Fade Due to artificial weathering test: $\Delta E < 5$

Sustainable Choice

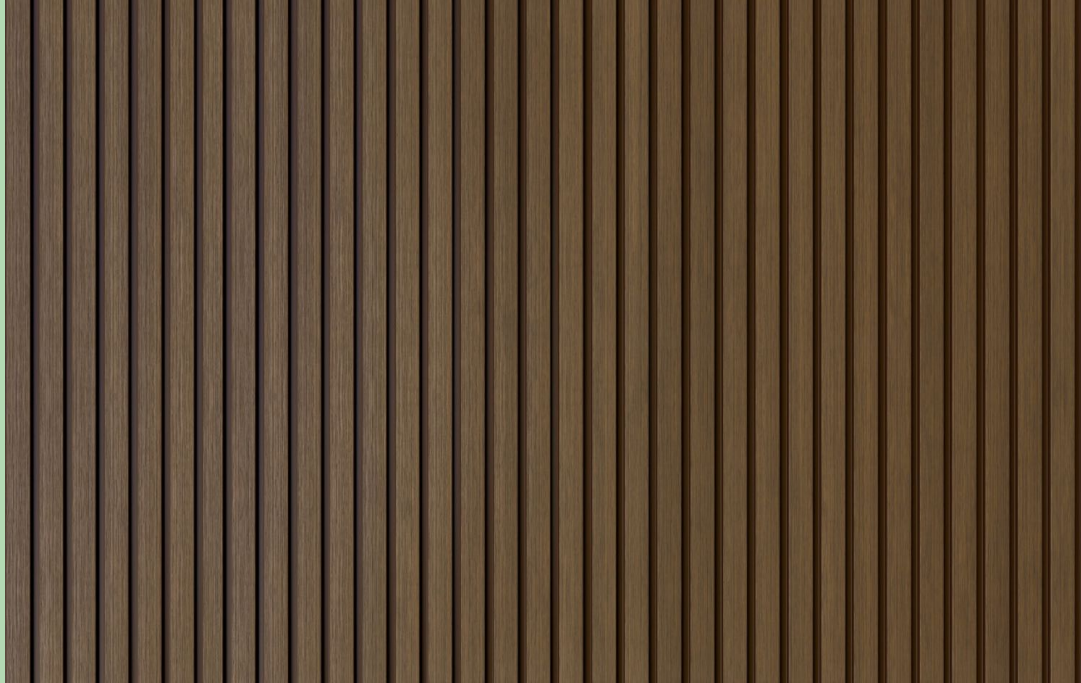

Ecoscape UK Wood Plastic Composite products are made from recycled plastic and wood fibre. Choosing Ecoscape UK ensures this waste material is diverted from landfill, and given a second life.

Great Composite Benefits

Not only easy to install, with our hidden clip system, Ecoscape UK composite cladding is practical, low maintenance, and with our 25 year warranty, will be sure to look good for years to come.

UV Stable with Colour Fade Warranty

All our Forma products (including Panel Cladding) are fade resistant. Although not entirely fade proof, our cladding has been extensively tested - including artificial weathering test - and we offer a warranty against fading due to weathering weathering due to light exposure and weathering in excess of $\Delta E < 5$ on the Hunter scale.
