

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2523
Application type	Conservation Area Notification
Site Address:	16 Causton Road Hornsey London N6 5ES
Proposal	Juniper - Cut the entire tree to ground level The tree has outgrown its current location which is no longer appropriate for the species. The client wishes to re-landscape.

RECOMMENDATION:	No Objection	
Application date	20/09/2023	
Tree Inspector	DM	Date: 12 th October 2023

Site

The Juniper tree, as marked on the plan and seen on Goggle Street View, is situated in the front garden of the property. It is publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (11/10/2023 at approximately 14:30).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Juniper - Cut the entire tree to ground level

The tree has outgrown its current location which is no longer appropriate for the species. The client wishes to re-landscape.

Issues

I hold no objections to the proposed removal of the Juniper.

A site visit revealed that the front garden has been landscaped in the past and the planting that took place at the time was too closely planted.

The Juniper has grown with a kink in the stem to reach the light and space.

There is enough planting with the street tree, bay, bamboo, and the young Monkey Puzzle to offer the cover and fill the space.

Recommendation

No Objection
